*Plan Your
Golf Outing*

Experience

Dear Golfer,

Thank you for the interest in hosting your event at Western Lakes Golf Club. We take great pride in our golf course, facilities and staff. With 23 years of experience, we welcome the opportunity to show you why we've become the golf outing specialists in southeastern Wisconsin. First and foremost, we offer one of the finest 18 Hole Championship golf courses in Wisconsin, along with an extraordinary practice facility to get everyone swinging on the day of your event. We are also very proud to feature Saz's©. a sure compliment to any golf outing. Our **location**, just minutes off of I-94 in Pewaukee and only 20 miles from downtown Milwaukee, is sure to be convenient for all your outing participants.

Our experienced staff is available to assist you in any way needed to ensure the outing starts off smoothly. When you arrive you will find all our carts clearly labeled with your golfer's names and hole assignments that may or may not begin with hole #1. We provide a registration area to get your participants signed up and ready to go as quickly as possible. Our golf pro, Greg Johnson provides outing announcements prior to golf. And just like that, with the sound of a shotgun, play golf!

Let's get started!

This booklet contains information to assist you while making your selections and planning your event. After browsing through this information you can start by taking a look at the outing committee worksheet that we've provided at the back of this booklet. Getting your volunteers organized and focused is a big first step and will go a long way in planning a successful event.

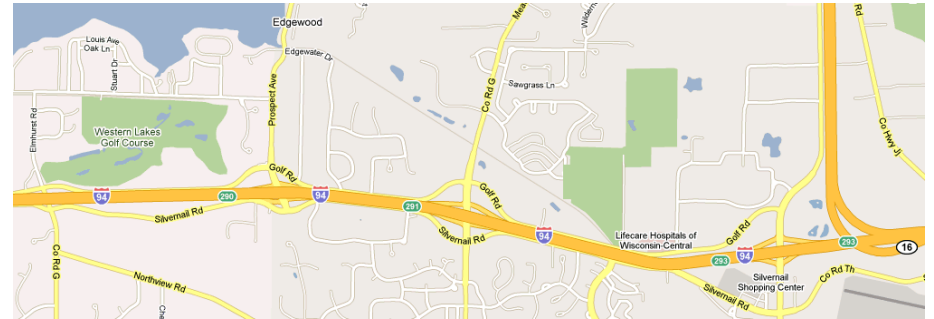

What sets us apart?

First, we offer several "Halfway Harry" packages that include Hole in One prizes for all four of our par 3's. Outing prizes are often one of the most challenging items to secure for an event, which is why we offer to provide all your golfers with a chance to win big! And second, if your event is designed to raise money for a charity, we can suggest ideas that we've seen work to raise a lot of money over the years. We've helped **charities raise over 10 million dollars** at Western Lakes over the past two decades!

Thank you for considering WLGC to host your event.

Sincerely,
The Western Lakes Team

Location, Location, Location

Take I-94 to Hwy 55 and head north to Oakton Road.
We are conveniently located just 20 minutes from downtown Milwaukee.

"Everyone did an outstanding job of making us and our golfers feel welcomed and appreciated."

- Karen

**The fundraising chairperson should focus on corporate sponsorship with assistance provided by any other volunteer that may have an opportunity.

It is important to assign an appropriate person the chair on each committee. Consider any experience they may already have in addition to whom they may be able to recruit for his or her sub-committee. Once the committee chairs are decided, any remaining volunteers should be divided amongst the groups.

Please keep in mind, it is always imperative that each of the committees realize the importance for each committee group to assist the other groups to accomplish the overall goal. Each committee is not limited to just their category, and if for example a lead regarding a potential sponsor would come to light while pursuing raffle items that should be immediately pursued to help the overall goal.

A common way to get sponsors is to have them donate small corporate items from their company as part of a give away bag for each golfer.

A good way to keep your costs down (ex. Design, Printing, Advertising, etc.) is to trade a sponsorship for the items you need to host your event.

Fundraising Ideas

Charities, Churches & Non-Profit Organizations can take advantage of our two decades of experience helping outings with their fund-raising. Greg will sit down with you and discuss the best ways for your group to raise the most for your cause. We have included worksheets that can help you thru this process and ensure that you've thought of everything.

** Plan special contests on the par threes or putting green for an entry fee.

Try Our Scramble Handicap System

If you are looking for a new twist on the traditional scramble format, why not try our very own "**Scramble Handicap System**", developed by our PGA Golf Professional.

If your participants do not have a handicap, ask them for their most recent 9 or 18 hole golf score, that's it, **we'll do the rest!**

Golf Outing Facilities

Western Lakes has become "**the location**" in the lake country area to host any golf outing. Over the years we have learned many different ways to ensure that your event is one that will keep people coming back year after year. One thing that sets us apart is our continual improvements specifically geared towards hosting a successful outing.

Halfway Harry's

Halfway Harry's is our permanent full service bar and restroom facility located directly in the middle of our golf course. There is easy access after playing holes #1,#3,#4,#10,#12. This building was dedicated in the spring of 2006, in honor of Western Lakes lifetime member and former majority owner, Harry Reichwald. He was the owner of the facility over 20 years ago, prior to our name change.

This is a full service bar with specialty drinks at a special price. Please see the following two pages for information about our "Specialty Packages" that will give your golfers an extra little treat and a chance to win big. There is not a better way to show your appreciation to them for being a part of your event.

"Wheel of Fortune"

Have a little extra fun during your event at Halfway Harry's with our popular "extra". It is a great way to increase raffle ticket sales by giving your golfers a chance to win for each raffle ticket they buy!

Outdoor Tent

Immediately noticeable when you enter our inner courtyard is our 1500 square foot outdoor tent, which can seat up to 150 people. This is the perfect area to set up your raffle items ahead of time in the middle of all the action, outside, where the golfers are. This area can also be equipped with a full service bar and cabaret tables. Close by is also where we set up our designated registration area. We provide a small outdoor tent, tables and chairs for you to quickly and easily register your participants as they arrive.

Additional Notes

** Spice up your event by creating a theme. We would allow you to place decorations and you can ask about our special "theme" menus such as Caribbean, Western Roundup, Hawaiian Luau, Mardi Gras, Viva Italiana, etc!

WIN BIG WITH "Halfway Harry's" PACKAGES

These packages will give your group of golfers a much deserved thank you. Whether they are your employees, co-workers, volunteers, friends or fund raising participants the extra treat will be greatly appreciated. They are a great way to get people excited about your event and to keep bringing them back year after year!

These packages can even be set up to help bring in a little extra money for a charity event!
